KITCHEN CONFIDENTIAL

Atlanta-based designer Matthew Quinn bows a beautiful, new kitchen design book.

By Wendy Bowman

MULTITASKER
Celebrated kitchen, bath and product designer Matthew Quinn

For his first book, Design Galleria's Matthew Quinn (designgalleria.net; matthew-quinn.com) charms with detailed and romantic images, personal stories, and a designer's insight into his personal world of inspiration and collaboration. *Quintessential Kitchens by Matthew Quinn: Volume One* (\$110, amazon.com) features

a forward by Atlanta interior designer Suzanne Kasler (with whom he has worked on many exquisite projects through the years) and a conversational journey through the design process and implementation of 15 different and distinct projects of all sizes, settings and styles—including a look at his philosophy, professional collaborations, favorite products and personal collection of product designs.

his work as a product designer (with current lines carried by MTI Baths, François & Co. and La Cornue, just to name a few).

"Seeing this book for the first time was one of the most exciting moments of my life," Quinn says. "I feel the book is an elegant and graceful art piece from cover to cover and showcases the beauty of each and every one of the 15 projects. I think the reader will really appreciate the diversity of the projects and the romance in the presentation."

What's next for Quinn? Look for the award-winning designer to continue sharing his life's passion in kitchen, bath and product design, along with upcoming book signings nationwide.

"I decided to write my first book to illustrate that my kitchen design process is intensely collaborative and to prove that a functioning kitchen can also be incredibly beautiful," says Quinn, who is known for creating memorable, functional and original kitchens and baths for some of the world's most discriminating clients—from celebrities to interior designers—as well as

A NOVEL IDEA
This debut book from Matthew Quinn features stunning images by Mali Azima and a foreword by fellow Atlanta-based designer Suzanne Kasler.

ESSENTIAL ELEMENTS
One of the 15 kitchens designed by Quinn in the book that focuses on the elegant use of color and texture
